## Five Themes of Geography and Cultural Geography

# Geography at M.C.E

- Now that we have examined the Five Themes of Geography – I would like you to think about the following question...
- How can we relate the Themes of Geography to our lives right here at Mill Creek.
- Think about the question,
- Talk about your ideas.
- Share our answers

# First Things First...

- When we complete this project you will be able to...
  - identify the cultural geography of a provided European country.
  - conduct basic research.
  - understand and consider perspectives other than their own.
  - work collaboratively to plan a project
  - **create a radio broadcast!**

# Today's Plan

- Before lunch, you were each given your broadcasting team.
- Together you will:
  - Conduct research
  - Plan your project
  - Share responsibilities
  - Record, edit, and publish an effective commercial

# Let's Get Started

- We will briefly look through the packet of information together before you begin working with your group!
